Signature:

Please provide your answers and narratives to each part within the allotted space or on a separate piece of paper. Please identify each reply with the corresponding question numeral (A1, A2, etc). Be concise and succinct in your narrative replies. You can send additional supporting material such as press clippings, brochures, website addresses, and photographs to be considered with the application.

☐ Additional supporting material for consideration is attached or will be delivered shortly.
Applications must be received at the Department of Commerce by April 7, 2006.

PART A) Business or Service Description – 20%

A1. What is the nature of the nominee's business?

A2. If not totally a Wisconsin enterprise, how is the nominee structured?

A3. What is the service provided to Wisconsin exporters?

PART B) Growth – 35%

Describe the growth experienced by the service provider over the last three years. These can be in sales figures; number of clients, members, participants, etc.; or some other measure.

PART C) Innovative Approach - 35%

Describe the original, innovative or special efforts that the nominee has taken over the last 3 years to meet international challenges and assist Wisconsin exporters in international markets.

PART D) Involvement Beneficial To International Trade Development in Wisconsin - 10%

How have activities of the nominee enhanced employment, the economy, and/or Wisconsin's reputation and prestige in international markets?

Return completed applications to:
